

SUPPLEMENTAL TYPE CERTIFICATE

10063549 REV. 1

This Certificate/Approval is issued by EASA, acting in accordance with Regulation (EC) No. 216/2008 on behalf of the European Community, its Member States and of the European third countries that participate in the activities of EASA under Article 66 of that Regulation and in accordance with Commission Regulation (EU) No. 748/2012 to

SOCIETE DUC t/a DUC HELICES PROPELLERS

**AERODROME DE VILLEFRANCHE-TARARE
289 AVENUE ODETTE ET EDOUARD DURAND
69620 FRONTENAS
FRANCE**

and certifies that the change in the type design for the product listed below with the limitations and conditions specified meets the applicable Type Certification Basis and, if applicable, environmental protection requirements when operated within the conditions and limitations specified below:

Type Certificate Number: EASA.A.378

Type Certificate Holder: DAHER AEROSPACE

Type: TB Series

Model: TB 10, TB 20, TB 200

TB 9, TB 21

Description of Design Change:

TBs Spinner STC update to include Backplate.

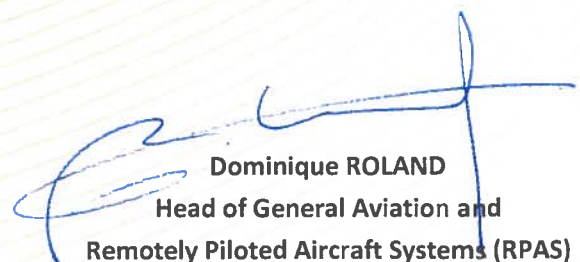

EASA Certification Basis:

The Certification Basis (CB) for the original product remains applicable to this certificate/ approval. The requirements for environmental protection and the associated certified noise and/ or emissions levels of the original product are unchanged and remain applicable to this certificate/ approval.

See Continuation Sheet(s)

For the European Aviation Safety Agency

Cologne, Germany, 13 June 2018

Dominique ROLAND
Head of General Aviation and
Remotely Piloted Aircraft Systems (RPAS)

Associated Technical Documentation:

- DR_003_BE_01_B-Manuel d'instruction Cônes composites TB.
- DR_003_BE_02_B-TB composites spinners Instruction Manual.
- DR_004_BE_01_A-Manuel d'instruction Platines TB.
- DR_004_BE_02_A-TB composites spinners backplate Instruction Manual.

Limitations/Conditions:

Prior to installation of this design change it must be determined that the interrelationship between this design change and any other previously installed design change and/ or repair will introduce no adverse effect upon the airworthiness of the product.
